

SARDINIA 2017 SYMPOSIUM - 30th Anniversary

We are proud to announce the **30th Anniversary of Sardinia Symposia**, the reference forum for the international community since 1987.

Sardinia 2017 will be held in the traditional venue of the Forte Village Resort at S. Margherita di Pula (Cagliari, Italy) and is expected to register the participation of up to 1000 delegates from dozens of different countries worldwide. In line with tradition, the 16th edition of the conference will focus on advances in the field of Waste Management science and technologies, presenting case studies and discussing key controversial subjects, sharing experiences from different countries, and assessing social and economical balances.

The conference will include oral sessions and specialised workshops for a total of eight parallel tracks, parallel events, practical design workshops, business to business meetings, discussion forums, a continuously accessible poster area.

During the Symposium a commercial exhibition will be held in the Foyer adjacent to the conference where companies may advertise new concepts and technologies. Organizations, associations and companies are traditionally welcome to have their internal meetings during the event, with the support of the Symposium Secretariat.

Sardinia 2017 offers a unique opportunity for a selected group of organizations, companies and institutions operating in the fields reported below, among others, to advertise their concepts and technologies to an unrivalled, highly-targeted audience.

Waste recycling • Separate collection • Energy recovery • Mechanical biological pretreatment • Lining systems • Leachate collection and tre-

atment • Biogas collection and disposal • Equipment manufacturers • Consultancy firms • Engineering service firms • Recycling

A wide range of networking opportunities will be available for companies and organisations wishing to take part in this edition of the conference. Book an Exhibition Area or take advantage of one of our attractive support packages to gain maximum visibility at a world leading waste management conference.

COMMERCIAL EXHIBITION

Do not miss the opportunity to promote your procedures and technologies in a purpose-developed highly scientific context and meet potential clients and customers. Increase your company's exposure in one of the most prestigious event in the world!

Main reasons to participate as exhibitor:

- Get the chance to meet and network with around 1000 industry experts, Waste Management scientists and influential decision and policy makers
- Present your products, brand and activities in an exciting setting focused on the latest innovations in the field of Waste Management
- Exploit a great marketing tool and promotional solutions to create interest and business opportunities before, during and after the event

COMMERCIAL EXHIBITION

A total of 40 stands are available. Each stand is numbered and exhibitors may indicate stand preference.
